*The International Cooperation Committee  
Cordially invites you to attend a committee meeting addressing*

## "Energy projects in Egypt .. Opportunities and challenges"

Over the past years, Egypt has suffered from violent energy crises that have hit many sectors of industry and the economy in general, until the government has adopted an ambitious strategy to meet all needs by establishing giant plants and expanding new and renewable energy projects. The International Financing Institutions have played a prominent role in Egypt's success in eliminating energy crises by supporting and financing several projects.

In this context, Canada Egypt Business Council and the Egyptian Council for Sustainable Development have the pleasure to cordially invite you to our upcoming event with:
