

Eng. Motaz Raslan  
Chairman  
Canada Egypt Business Council  
82, El Marghany St. 6th Floor,  
Heliopolis 11341  
Cairo, Egypt

Dear Eng. Raslan,

We at Comprehensive Care International (CCI) understand that partnerships are an essential factor behind the success of our business. We also feel that all achievements and contributions should be noticed and acknowledged. Therefore, on behalf of CCI I would like to recognize the Canada Egypt Business Council and its role as a liaison between CCI and the Egyptian business community.

Specifically, the Council has provided several useful venues that have allowed for introductions between our senior management team and key Egyptian stakeholders within our industry. Members of the Council have also been proactive in offering useful information and recommendations that have assisted us in leveraging these relationships, as well as our entry into the Egyptian market.

We appreciate the value of the Council's services as well as the efforts of its team members. Their responsiveness, insight and professionalism have been of tremendous benefit. We are proud to be a Canadian partner and highly recommend the Council as a resource for organizations wishing to advance joint business opportunities between Canada and Egypt.

Sincerely,

Katherine Jones, MBA, CMC  
President and CEO
