

The sectors of industry and trade suffered from great challenges during the past decades, successive government efforts failed to find solutions to them, which affected the competitiveness of the Egyptian industry and the movement of foreign trade. But in recent years, we have seen serious plans, initiatives and moves by the government to upgrade the national industry, develop export movement and open more markets for Egyptian goods. But despite these efforts there are some challenges that are still facing investors, in addition to other global challenges such as the Corona virus, which may hinder the launch plans with these files.

In this context the CEBC & ECIC have the pleasure to cordially invite you to its upcoming event with:

H.E. Dr. Nevine Gamea

Minister of Trade and Industry

Moderated by:

Dr. Sherif Elgabaly

**Chairman of Chamber of Chemical Industries
& Africa Relations Committee FEI**
