

*The Ministry of Military Production has played an important role in supporting the Egyptian economy in facing the multiple crushing crises, which our country witnessed over the past years, through its effective contribution to the national projects and its prominent role in the industrial production in order to meet the needs of the citizens. Recently, the Ministry has adopted ambitious plans to improve performance rates, as well as raising the efficiency of its subsidiaries to maximize the benefits of its expertise in developing & pushing the national industry; thus contributing to support the economic development plans & raising growth rates.*

*In this context the CEBC & ECIC have the pleasure to cordially invite you to its upcoming event with:*

**H.E.**  
**General Dr. Mohamed El Assar**
