EGYPTIAN BUSINESS COUNCIL
FOR INTERNATIONAL COOPERATION
مجلس الأعمال المصري للتعاون الدولي

The Minister will start the session @ 06:00 p.m. sharp

The Ministry of Communications and Information Technology is pursuing an ambitious strategy to cultivate a digital Egypt, aiming to develop the digital infrastructure, achieve financial inclusion, and build capabilities for the transition to a digital society. To implement this vision; the ministry has launched many initiatives and projects in cooperation with major international companies. These endeavors have begun to bear fruit despite the current challenges of the economic situation, as the communications and information technology sector has maintained high growth rates, and Egypt has become an attractive hub for many major corporations. Furthermore, there has been progress in digital exports and the development of a skilled workforce. In this context, Canada Egypt Business Council and the Egyptian Business Council for International Cooperation will hold its next forum
