

Global markets are currently witnessing a state of confusion, in light of geopolitical conflicts on one hand and trade wars on the other, which poses a major challenge to various sectors of the economy, especially the non-banking financial sector. Therefore, the Financial Regulatory Authority is working on implementing many plans and strategies to provide a favorable environment for the growth and protection of this sector, and enhance its competitiveness, by preparing the legislative environment, technological empowerment, expanding the umbrella of financial inclusion, and developing awareness. In this context, Canada Egypt Business Council and the Egyptian Business Council for International Cooperation will hold its next forum

With:

Dr. Mohamed Farid

Chairman of Financial Regulatory Authority
