

Egypt adopted a national human rights strategy aimed at consolidating the principles of equality and justice among citizens, in line with the sustainable development goals 2030, which calls for solidarity and joint action to achieve justice and access to the fruits of development.

In line with these significant efforts and the role of international cooperation with development partners to achieve the objectives of this strategy, many challenges may face these efforts, such as the repercussions of Corona virus, as well as other regional events and developments.

In this context, Canada Egypt Business Council and the Egyptian Business Council for International Cooperation will hold its next forum

The event will be with a limited attendance beside an online live streaming

With:

H.E. Dr. Rania Al-Mashat &
Minister of International
Cooperation

H.E. Moushira Khattab
