

Amid the start of the countdown to launch COP 27 climate conference during the period from 6 to 18 November 2022 in Sharm El-Sheikh, Egypt continues its preparations to host this global event, looking for quick solutions to the challenges facing climate change around the world.

This session is held amid enormous geopolitical challenges, imposing on the world the necessity of concerted efforts to accelerate climate work and to fulfill the special obligations to combat climate change, and to support the African continent's countries to transform into green economy.

In this context, Canada Egypt Business Council and the Egyptian Business Council for International Cooperation will hold its next forum
