

Egypt's health sector suffered huge challenges throughout the past two years because of the virus "Covid-19" and its serious repercussions; the state has pushed all its potential to face this pandemic, to preserve the lives of citizens.

This pandemic was at a time when the Government implements an ambitious strategy to improve the health care system through a package of health initiatives and the application of a comprehensive health insurance system to increase the challenges facing the health file in Egypt.

In this context, Canada Egypt Business Council and the Egyptian Business Council for International Cooperation will hold its next forum

The event will be with a limited attendance beside an online live streaming

With:

H.E. Dr. Khaled Abd El-Khafar

Minister of Higher Education and Scientific Research
