

Despite the challenges and developments shaping the global economy, Egypt has adopted a vision to redefine the priorities of its national industry and develop an ambitious strategy aimed at enhancing its competitiveness and strengthening its ability to navigate global transformations.

At the heart of this vision are deepening local manufacturing, increasing value added, and localizing industries and production inputs, alongside narrowing the gap between domestic production and import requirements, while opening broader horizons for Egyptian exports. within this context,

The Canada Egypt Business Council and the Egyptian Business Council for International Cooperation, has the honor of inviting you to a seminar held in honor of:

H.E. Eng. Khaled Hashem Aly
Minister of Industry

Moderated by:

Eng. Mahmoud Sarg
Deputy Chairman of the Federation
of Egyptian Industries (FEI)

Eng. Motaz Raslan
Chairman of CEBC & ECIC

To discuss the topic:

**“Egyptian Industry: Today’s Challenges
and Future Opportunities”**
