CEBC & ECIC Mining Committee
Cordially invites you to attend a committee meeting addressing
“Mining Sector & Promising Opportunities to Support the Economy”

The mining sector receives considerable attention from political leadership, as one of the most promising sectors of the economy that can play a major role in increasing GDP and creating jobs. Over the past years, the sector has witnessed outstanding progress and comprehensive restructuring to create the right climate which attracts investment and exploits the mining wealth, resulting in the establishment of many projects and the launch of many bids that attracted major international companies.

In this context, Canada Egypt Business Council and the Egyptian Business Council for International Cooperation will hold its next forum which brings together

With:
