The COP27 Climate Summit holds great hopes to find radical solutions to stop the negative impacts of climate change, and to mobilize international efforts to combat this phenomenon. within the activities of the summit, the Canada Egypt Business Council and the Egyptian Business Council for international cooperation are holding a session entitled.

“The Role of Youth and Women in Confronting Climate Change”

With participation of:

Dr. Mayan Raslan

Member of the Board of Trustees of Banque
Misr Foundation for Community Development
and Service

Mr. Alessandro Fracassetti

Resident Representative UNDP Egypt
TBC

Ms. Christine Arab

UN Women in Egypt Representative
TBC

Ms. Sanarya Al-Saffar

Swedish anchor and journalist

To discuss the most important issues of climate change and how to take advantage of all the young capabilities of the Egyptian youth and women to find appropriate solutions to address the challenge the planet faces as a result of climate change.

The CEBC and ECIC recognize the role that youth and women play in tackling climate change and call for coordinated efforts and effective participation of women and youth in climate change policy decision-making processes.

The session will be taking place on

Thursday 10 November 2022 from 14:00 pm to 15:00 pm in Hall B in the Green Zone.

Accordingly, it will be our pleasure to invite you to join the discussion and share your insights on how climate change impacts youth and women and why youth engagement plays a pivotal role in advancing climate change and what we can do to support solutions for young generations of men and women, leaving no one behind.
